

Project Update

Pebble Creek Hot Springs **CLOSED** until further notice due to elevated Landslide Risk*

KM	Activity along the Lillooet River FSR
KM 22-27	Clearing along the transmission line right-of way, adjacent to the FSR. Expect up to one hour closures between 6 am to 1 pm.
KM 30	Transmission line crew working adjacent to FSR.
KM 38.5	Tunnelling continuing at the Boulder Creek HEF. Blasting will occur daily. Concrete works at the Boulder Creek HEF Powerhouse.
KM 37.8	Caution: High traffic area at the entrance to the Camp Road (Pebble Mainline).
KM 37.5 - 42	Concrete Truck will be hauling from KM 37.5 along the FSR and turning into the two powerhouse locations (i.e. KM 38.5 and KM 42). Drive cautiously in this area.
KM 39.5 Athel Main	Construction of the Boulder Creek Intake Access Road and Crane Pad along the Athel Main Line Road. Blasting will occur daily. Hauling of material from the Intake area to KM 0 of the Athel Main. Day and night shifts working
KM 41.5 – 42	Concrete works at the Upper Lillooet River HEF Powerhouse.
KM 42.5 – 44.5	Realignment of the Lillooet River FSR and Truckwash Creek Bridge is now OPEN to the public and industrial users. Trailhead and parking to the Pebble Creek Hot Springs has been relocated from KM 43.5 (Truckwash Creek) to the Liíwatátkwa7 (Lillooet River) Trail and Parking area at KM 42 along the Lillooet River FSR. For more details, see Issue #2 of The Current: http://www.innergex.com/sites/documents/inx007_ulhp_newsletter2_lr.pdf
KM 43.5-44.5	Tunneling continuing at the Upper Lillooet River HEF downstream tunnel portal. Blasting will occur daily.
KM 48	Construction activities at the Upper Lillooet River HEF intake (river right). Blasting will occur daily. Day and night shifts working
Road Name	Activities associated with Transmission Line (not along the Lillooet River FSR)
Lillooet South FSR	Road building up Branch S200 road at 2 KM Lillooet South FSR Road upgrade of the Lillooet South FSR from KM 4.5 to KM 7.5 will commence Monday August 25th. Expect up to one hour delays for road works Tuesday August 26th - FOUR HOUR road closure from 3:30 to 7:30 pm to conduct fish salvage works necessary for the road upgrades.
Ryan River FSR	Bridge installation at KM 2 ongoing.

Lillooet River FSR - general updates on other industrial users

- Processing logs and active hauling along the Lillooet River FSR and spur roads.
- Pumice trucks hauling daily.

***Ministry of Forests, Lands and Natural Resources have closed the Pebble Creek Hot Springs due to elevated landslide risk. Please call 604-898-2100 for more information.**
