

Project Update

Wednesday February 25, 2015

Miller Bench FSR Closed February 26th to February 27th

- Three temporary clear-span crossings will be installed along the lower section of the Miller Bench FSR.
- The road will be closed at KM 2.5 Thursday and Friday this week but open for the weekend.
- Works will resume again on Monday March 2nd and additional road closures notices will be issued next week.
- Signage along the road will be posted.
