

Project Update

Wednesday March 4, 2015

- Snowplowing on the Lillooet South FSR will commence this week from KM 0-8
- Snowplowing and minor road maintenance of the Lillooet River FSR (KM 0 – 38) will commence this week or early next week.

NOTE: Snowmobile access only beyond KM 38. A parking area has been cleared for the public at KM 38. The hot spring trailhead is located at KM 42.5 and only accessible by snowmobile or hiking.

- Miller Bench FSR will remain closed Thursday for temporary bridge works. Road upgrades beyond KM 2.5 will commence once the bridge work is completed.
