

Project Update

Lillooet South FSR is **CLOSED** at South Creek due to bridge washout

Please be advised that these updates are issued on a weekly basis.

For up-to-date forestry road information, please go to:

<https://www.for.gov.bc.ca/dsq/Engineering/RoadInformation.htm>

KM	Activity along the Lillooet River FSR
KM 37.5	Check Point Booth is in place 24 hr/day.
KM 38.5	Tunnelling at the Boulder Creek HEF. Blasting will occur daily.
KM 39	Access road to Boulder Creek Intake. Works ongoing with blasting occurring daily.
KM 41	Upcoming road works may cause periodic delays next week.
KM 41.2	Upper Lillooet River HEF Powerhouse site open.
KM 42	Lillooet River Trail is now OPEN. Please be advised that the route has been impacted from deadfall across the trail, which will be cleaned up in the next few weeks. Temporary signage and flagging are in place to route hikers through the area. PLEASE NOTE: the trailhead is an active construction zone so please use caution in this area and refrain from parking along the FSR.
KM 42-44	Upper Lillooet River HEF Penstock works ongoing.
KM 44	Upper Lillooet River HEF Downstream Tunnel Portal site open.
KM 47	Upper Lillooet River HEF Intake and Upstream Tunnel Portal site open.
